## THE SKIPPER'S LOG

ISSUE — 81-5.

THE SKIPPER'S LOG

Nov. 1, 1981

### THE "SKIPPER'S LOG"

The "SKIPPER'S LOG" is not a new publication although it may be new to many of our members. We first called it the "SOWP NETBUL" back about 1970 after Dick Johnstone started the SOWP NETS. We used it as a pipeline to send news from 'HQ' to Chief Operators of our many nets.

Later we also included CHAPTER officials in our mailings to keep them informed about members joining, moving or becoming Silent Keys - so they could correct their records and update Society news.

The SKIPPER'S LOG - usually 2 to 12 pages were reduced from a matrix, run off on Xerox and then mailed weekly or periodically to Chapter and Net officials.

We also used these Xerox masters to reprint material from the Skipper's Log in the INTERCOM Section of the JOURNAL - such as "The Glass Arm", "Static Room" "Intercom A & B" issues etc.

Changes in format is being made for the following primary reasons:

**FIRST:** We would like to make SPARKS JOURNAL a purely HISTORICAL orientated publication by excluding all "Intercom" type material. It will serve members and mankind better by retaining only historical material within its covers by eliminating news of short interest span.

**SECOND:** We think it will save time and money. It will negate the need of sending extra mailings and will provide ALL MEMBERS with updated news without long delays. Bulk 3rd class mailing should provide a material savings which is becoming increasingly necessary.

**THIRD:** Perhaps the most important is that of cutting down work at "HQ" so we can keep up on our work. We would like to make it a "COOPERATIVE EFFORT". This, if it works out will relieve HQ of a great load of detail work and give more time for the editing and publishing of our SPARKS JOURNAL and other Historical Papers.

Our idea is to set up an organizational structure and procedure in which all chapters (and members outside chapter areas) will funnel their news and data to an individual who has volunteered to act as Chapter Editor or Net Editor - who will consolidate all material received and work it up in the necessary format that we can use it in the SKIPPER'S LOG without reworking.

Currently, Mr. Seymour (Sy) Strauss W4IKU has agreed to be CHOP of our AMATEUR RADIO NETS. He will be the focal point in handling Net News, Schedules and matters pertaining to our net system's.

CHAPTER NEWS will be handled by Phyllis Stevenson (V.P. Chapters) when she returns from an extended trip to the South Seas. During the meantime, our Assistant Editor FRED ROSEBURY will handle this material.

We request that all Chapters place Fred Rosebury, whose address is 133 Bacon Street, Natick, Mass 01760 on its mailing list (in addition to HQ) to receive copies of News Letters, meeting dates or any information that may be of national interest. We still desire a copy of information relating to members such as Changes of Address, Silent Keys, etc etc. Such items as that of those on the binnical list or those in dry-dock should be sent to Fred. Ultimately, we hope that perhaps the SKIPPER'S JOURNAL can be handled by an Assistant Editor who will be responsible for the complete copy, including editing etc.

This will leave 'HQ' free to handle the swelling tide of information we are receiving, in SPARKS JOURNAL, The Almanac and our series of "SPARKS" of which Volume IV should be published this year.

We hope you will enjoy The Skipper's Log which will keep you informed about members of the Society. We hope to have it carry your ideas in our VOX POP pages and space will be provided for Want Ads - Where are They - Suggestions (type of material).

William A. Breniman  
The Ancient Mariner

CHAPTER X — CAPITAL AREA. Meeting of August 29, 1981, Anchor Inn, Wheaton MD. Members and guests. Officers under wall marker #1. Emerson R. Mehrling, Director; #2. John Swafford,

Treasurer; #3. Jack Kelleher, Secretary. We hope to have all identified to republish in coming SPARKS JOURNAL. Photo by W. J. Brown

# POTPOURRI

## ABOUT DUES - EXCHANGE RATES ETC.

We recently received the following re: dues payment: "When dealing with the elderly - I am 84 and partially blind - it might be a good idea not to rely on notices in the JOURNAL about due dates." This is to notify members we will try to mail notices to those who owe dues for 1982 out by early February. Meanwhile, it does help to process dues payments and saves on time and expense when members pay dues early. With postage going to 20¢ in a few days, it is a savings of \$1.00 on each five members - more including time to process, cost of envelopes, printing etc.

The dues in 1982 will remain at the \$10.00 level. For those wishing to pay 3 years in advance, the tab is \$25.00 which we credit @ \$10 for 1982; \$10 for 1983 and \$5 for 1984 (This being at 1/2 price as your bonus).

## OVERSEAS & FOREIGN MEMBERS

It is requested that payment be in U.S. FUNDS. We continue to receive checks from other countries. We have to make out a special form with our bank on each check which takes 5 or so minutes. Frequently the EXCHANGE RATE after applied by the bank does not net us the U.S. DOLLAR equivalent and to date we have absorbed such loss as we know it not intentional.

In some cases checks have not been honored by our bank and we have been charged \$5.00 US plus face of check. Then it takes time to inform the sender, hence time is used that may well have been spent on other matters. It might be noted that we credit accounts with the net funds AFTER EXCHANGE has been paid. Any deficit in normal dues will be billed on the coming year's dues statements.

We think it would be easier and simpler for overseas members to buy Postal Money Orders or drafts payable in U.S. Funds than to issue personal checks in larger amounts especially if they are not WELL MARKED --- PAYABLE IN U.S. FUNDS.

## FEES FOR NEW MEMBERS JOINING

It might be noted that there are probably several thousand application forms furnished prospects that were printed in 1968 or up through the years. Members should tell friends who have these rather ancient application forms of the new application rate which is \$15.00. This pays \$5.00 initiation fee, \$10.00 for dues. Part of this dues will be shown as a credit on the coming year when statement is mailed and any credit may be deducted in sending in next year's dues. A updated application form will be furnished anyone requesting same.

## VOX POP

One of our overseas members thinks we should print stories of a greater 'global' aspect rather than being totally (?) U.S. oriented.

Your Editor agrees with you 100 percent. There is one hitch however. In order to print stories from around the world we have to have imput from you fellows up North and beyond the seas. You furnish good interesting material with pictures and illustrations and we'll try our best to furnish a well rounded publication

Going back through issues of the JOURNAL - you might be surprised to find just how much material from foreign countries has been published the last four years. Might check on it.

## COMING PUBLICATIONS

We are working on the next JOURNAL VOL. 4 No. 2. Hope to have it out in November. Also working on SPARKS IV and our ALMANAC. Please be patient - I am doing the best I can on these two publications. Bill.

## THE GREAT WHITE FLEET

Author John H. Melville served with the research and marine departments of United Fruit Company for 44 years, both at sea and on shore. His book is an intimate coverage of this great organization. We have ask John for permission to quote some of the background material in our forthcoming edition on T.R.T. and THE GREAT WHITE FLEET. It may be recalled that we ran a short review some time ago on this very interesting book. John tells me now the supply of his books is about depleted and it will soon become a "Collector Item". He would be glad to see our members, especially those who have sailed for United Fruit. Price for remaining copies to our members is \$7.95 plus \$1.25 mailing costs or a total of \$9.20. We suggest those interested mail their order w/o too much delay, otherwise you may be disappointed. The address of Mr. Melville: 1080 SW 2nd St. Boca Raton, Fla. 33432.

## S.O.W.P. BOOKSHELF

Author John H. Melville served with the research and marine departments of United Fruit Company for 44 years, both at sea and on shore. His book is an intimate coverage of this great organization. We have ask John for permission to quote some of the background material in our forthcoming edition on T.R.T. and THE GREAT WHITE FLEET. It may be recalled that we ran a short review some time ago on this very interesting book. John tells me now the supply of his books is about depleted and it will soon become a "Collector Item". He would be glad to see our members, especially those who have sailed for United Fruit. Price for remaining copies to our members is \$7.95 plus \$1.25 mailing costs or a total of \$9.20. We suggest those interested mail their order w/o too much delay, otherwise you may be disappointed. The address of Mr. Melville: 1080 SW 2nd St. Boca Raton, Fla. 33432.

## THE BIG SHIP

Author - FRANK O. BRAYNARD (Honorary Member SOWP). This book is just off the press, published by THE MARINERS MUSEUM, Newport News, VA 23606. Frank, one of the world's most distinguished writer about ships and nautical subjects .... "Has done it again!" This time "THE BIG SHIP" is the S.S. UNITED STATES... the greatest liner ever built in America. It is the story of a great dreamer and his dream, a saga of the sea and of a man at his greatest. 283 pages, 61 illustrations. Cost is \$25.00 plus UPS Charge \$1.75 (Virginia residents add 4% sales tax).

## THE NYMPH AND THE LAMP

This one perhaps out of circulation. Here is member W. S. Skeen W6WR's review. It was published by Little, Brown and Co. but he found it in a used book store. Said he paid 50¢ for it but wouldn't sell his copy for \$50.00. You wouldn't know it from its title, but this book is written about the early spark days at a coast station on a small island off the coast of Nova Scotia. The author has evidently pounded some brass, somewhere. He is also a very good writer. Although a novel, the plot is full of suspense, and there are some beautifully descriptive passages on the Island and (Sable Island ??) Halifax, etc. SRI we can't give you more details.

## TESLA -- MAN OUT OF TIME

Author: Margaret Cheney. It is the first, in-deptly biography of one of the most enigmatic, brilliant yet least recognized scientific geniuses in history: Nikola Tesla. The book is to be released Nov. 13 1981. Price is \$16.95. Publisher is Prentice Hall, Englewood Cliffs, NJ 07632. We have not as yet received a 'review copy'. More will be furnished on this book when received.

## S.O.W.P. 1981 CHRISTMAS QSO PARTY

We would like to call attention of our Amateur Club members again to the 1981 SOWP CHRISTMAS QSO PARTY which is scheduled for Sunday, December 20 1981. The party will cover the full 24-hour GMT period and will be the SIXTH Christmas on-the-air Party.

This party will give members an opportunity to meet on the air and exchange Season's Greetings and other pleasantries. No formal exchange require and no member need submit logs. Write Bill Willmot, K4TF, 1630 Venus St. Merritt Island FL 32952 if you do not have details. SASE appreciated.

"WANT TO KNOW" --- "WHERE ARE THEY" --- "MEMBER ADS"

This column is designed to be of service to our members. We mentioned in an earlier edition of the JOURNAL (Vol. 3 #2 that inquiries about shipmates we had not heard from for years, what became of ships I had sailed on and many questions of like nature plus notification of services or equipment members might have to offer would be published on a space available basis, without charge. It will be carried for one edition only and limited to not over 200 words. The member should mark it for "VOX POP" and should include full particulars, including name, address, phone or call etc. The Society will not assume any responsibility for anything that appears under this heading. We feel that the inclusion of a VOX POP SECTION will be of real interest to members.

RE: WPD - HISTORICAL INFORMATION WANTED

Dan Whitman 3090-M assigned WPD "TAMPARADIO" would like to contact X-employees of WPD or anyone having historical information about the station to correspond with him. He is trying to compile a history of WPO. If enough IFN can be gleaned from sources far and near we would like to write an article for SPARKS JOURNAL. Address: Dan Whitman, C/O: TAMPARADIO WPD, 1330 McKay Street, Tampa, FL 33602

PACIFIC RADIO SCHOOL

A.C. 'Woody' WOODBRIDGE 3605-P (W7MVF) would like to contact any members attending PRS in S.F. during winter 1930-31. QSP: QTH: 202 M St. NE, Auburn, WA 98002.

WISH QSO OPERATOR WHO SAVED MY NECK

ROBERT J. 'Bob' GLEASON would like QSO or learn who was the operator on States SS Line SS WISCONSIN in summer and fall 1929. He saved my neck by relaying messages on the 40-mtr ham band from my Schooner NANUK (WKDB) in the Arctic to Navy Radio Stn. NPQ, St. Paul Island. QSO/QSP to Bob who is SOWP member 642-P at QTH: 3734 Ramsgate Drive, Annapolis, MD 21403. W3KW.

POSTED IN CANADIAN NAVY RADIO STATION CFH 1939-45 ?

Our Member J. E. Sandison, (Johnny /VE5AAS requests following be published: The Canadian Navy Radio Station Newport Corner, Halifax Radio CFH is attempting to establish a permanent file of photos and stories of its history, especially the war time years of 1939-45. If you served in Newport Corner and can contribute in any way please contact: MAJOR A.T. HANWAY C.D. NRS NEWPORT CORNER, ELLERSHOUSE P.O. HANTS COUNTY NOVA SCOTIA, CANADA B0N 1L0 (Thanks es 73)

DID YOU SERVE ON THE BOSTON TRAWLER FLEET OR MYSTIC COLLIERs?

Howard H. (Pappy) ZWICKER 1850-P would enjoy hearing from surviving sea-going radio operators of the early 1930's era especially any from the Boston trawler fleet or Colliers of Mystic fleet. Principal present activity Genealogical research. Write 'Pappy' at 611 East Oak St. Millville NJ 08332

WHAT IS CURRENT SALARIES OF RADIO OFFICERS ?

It would be very interesting to learn of the present wages scales, conditions, etc on the various super-tankers and other ships. As an ex-operator from the early 1920's earning about \$105.00 per month from Gulf Refining running out of WPA, it would be very interesting to learn the difference in our pay. I imagine others would also be interested. Send the dope to SOWP and a copy to me. Thanks. Lewis W. Bear 619-SPG. 2 Oak Brook Club Drive, Oak Brook IL 60521 .

WANTED - SCHEMATIC DIAGRAM OF RCA AR-88-D RECEIVER

Member Dady S. Major, VU2MD 85 Sleater Road, Bombay 400 007 India (867-P) The one he has been using since 1947 is in tatters. Letter to mfr. but no reply. If you can furnish Dady a Xerox copy he would be very happy.

SWAP - WW-II ROSTERS ARMY, NAVY AIR FORCE OPERATORS (ETC)

Member Arnold J. Madiol, Warrant Officer Signal Corps, U.S. Army/Ret. 436 Orchard Ave., Grand Haven, MI 49417 wishes to swap personnel rosters of military and civilian personnel who were at land-based comm. centers of these forces during and after WW-II. If you have but one copy, he can photocopy and return. He is also collecting call signs and tape-relay routing indicators. Will reimburse postage..(Arnold says it is not a commercial venture. He offers to furnish a story on "WAR". Perhaps we can include in future issue).

LOST TOUCH WITH OLD SHIPMATE

"WANTED" Late information or whereabouts of MEREDITH (Merry) LANDAKER. Home QTH: Salem, OR (7SW) Last record was R/O for Admiral Line, Seattle, Circa 1928-29. Write, Duane D. Latourell, 7350 W. 87th St. Los Angeles, CA 90045. (925-P)

NEW SIGNAL CORPS ASSOCIATION BEING FORMED

Bill Willmot - K4TF (784-V) reports the formation of a new Association of former Signal Corps members. He informs that if you have ever served in the U.S. Army Signal Corps, or worked for Signal Corps as a civilian, you are invited to join the new organization which is called "THE SIGNAL CORPS ASSOCIATION" QTH: P.O. Box 7740, Fort Gordon, GA 30905. Members will receive "THE ARMY COMMUNICATOR" -- The professional Signal Corps Journal with info on timely reporting of developments world-wide.. The Ass'n. was founded to recognize the proud history of the U.S. Army Signal Corps and to preserve that ever evolving history for posterity.

SHIPS CLOCK WANTED

Member Geo. F. Marts, (W0TDH) 3096-V, 4201 Colvin Dr. St. Louis, MO. 63123 says // "I am in need of a 24-Hr. brass ship board clock like we had in our radio shack. I would like one in my hamshack to remind me of my "Spark Days" Can anyone furnish source where George might obtain ?

WANT TO KNOW - DID YOU SERVE ON THE FOLLOWING SHIPS ?

Send name, serial and date posted on 3x5 card or slip (One for each ship listed) Address to HQ: SOWP Marked SHIPS

AQUITANIA	CARONIA-II	LUSITANIA
MAJESTIC	MAURETANIA-II	OLYMPIC
QE	QUEEN MARY	FRANCE - III
ELE DE FRANCE	NORMANDIE	NIEUW AMSTERDAM II
MICHELANGELO	REX	BERGENSFJORD III
KUNGSHOLM III & IV	GEORGE WASHINGTON	LEVIATHAN
UNITED STATES	AEOLUS/CITY OF LOS ANGELES	

(We will request listings of other ships at a later date) Please furnish pix if you have printable copies on above.

# • SOWP CHAPTER NEWS •

SCOTTSDALE CONVENTION DRAWS GOOD CROWD. John Elwood reported that about 3500 visited the SOWP booth Oct. 9-11. John's XYL Edith assisted plus 'Bob' Farris on Friday and Saturday. SOWP Prexy 'Jim' Brown & XYL visited. Sen. "Barry" dropped by for "Hello".

## CHAPTER I - GOLDEN GATE

Director - Paul N. Dane W6WOW (2195-V)  
146 Goleen St., Livermore, CA 94550  
(415/447-6355)

First meeting of the Chapter was on May 9, 1981 when we met in the Winchester Room at the Villa Chartier in San Mateo. New Director Paul Dane relieved Pioneer Member Fred Mangelsdorf who held the post for about five years. Attendance 92 members, wives and friends. An excellent meal and a very enjoyable day. THE ANNUAL SUMMER PICNIC was held this year on Aug. 20, 1981 at Armstrong Redwoods State Reserve near Guerneville, CA. Perfect weather and gathering of about 45 members attending. Mr. Dane proposes a picnic next year also in some South area. The Ed. R. Levin Park east of Milpitas has been suggested. A meeting (not confirmed) in planning stage for Sea Wolf at Jack London Square, Oakland during the winter. Members will be informed.

## CHAPTER III - DR. LEE de FOREST

Director - Fred M. Winckel W6QQB (335-SGP)  
2070 Balmer Dr., LA, CA 90039 (213/664-2388)

A very outstanding annual meeting was enjoyed on May 9, 1981 at the Taix Restaurant, 1911 W. Sunset Blvd., Los Angeles. Fred has served with distinction for nearly 4 years, volunteering to 'stay on' at last election. He would like to be relieved so we invite members in the De Forest area who are willing to serve the Society to tell Fred or us that you would volunteer for the assignment.

## CHAPTER IV - STAR OF INDIA

Director - Robert L. Farris WD6AWO (2661-P)  
1244 La Cresta Blvd., El Cajon, CA 92021  
(714/447-2979)

During the Chapter meeting of members aboard the STAR OF INDIA on May 9th, Director M. G. (AB) Abernathy informed chapter members he would like to be relieved since he has served about 4 years and requested volunteers. None were received at the time but several members suggested "Bob Farris" be sounded on taking over. This we are happy to say has resulted in Bob accepting the office. We know from experience he is a good choice and Star of India Chapter members will be very happy. Bob has already made arrangements for a meeting of chapter members and guests at the JOLLY ROGER RESTAURANT, OCEANSIDE, CA. Time is 11AM on Friday, Nov. 6, 1981. This will be "Abernathy Day" so we hope for a large turn-out of members and guests to honor "AB". Incidentally "AB" has been putting in endless hours assisting the San Diego Aerospace Museum plus helping the City of San Diego's photographic archives. They have about 280,000 ancient large negatives which they are microfilming to reduce filing problems. "AB" is also V.P. of MTC helping Cecil Combs with D&D. Good Luck "AB" and thanks very much for spending the years with SOWP in directing Chapter IV and furnishing HQ with so much copy and so many pictures

## CHAPTER V - JACK BINNS

Director - Earl D. Scott W7FZ (2954-P)  
Crane Island, Deer Harbor, WA 98234  
(206/378-4744)

The annual meeting of the Jack Binns Chapter was held at the "Dog House" in Seattle on October 17, 1981. Mr. Scott was chosen as new Director to relieve Albert Woody by unanimous ballot. Capt. "Eby" (Viggo H. Conradt-Eberlin) offered to take over in the interim as Sec./Treas. until Director Scott could appoint a Secretary/Treas. of his choice. A resounding "WELL-DONE" was given to "Woody" for his stewardship during the past couple of years and his continuing interest and work for the Society. Gordon Pascoe, First Director of the Jack Binns

Chapter was present and offered some good words.

A very interesting program was given by Cmdr. Charles M. Sturkey, Jr. (Ret.), SOWP 3801-P (W7TNA). Assisted by his wife, Mary, he gave a fine slide program of Japan and a trip around the world in his Yacht "CHAMARU" which he built himself - he was a Naval Architect. Attendance was about 40 which filled the room and made a good audience. Joe Finzimer retired as Sec./Treas. and was given a fine ovation and also voted as Secretary/Treasurer Emeritus in honor of his long work for the Chapter and Society.

It might also be noted that the PORTLAND (OREGON) AREA UNIT of Jack Binns Chapter has met monthly in Portland for the past year. Thanks to the wonderful yeomanship of Johnny Peel, Dexter S. Bartlett, Ralph Hazelton and many others. An alternate site at Salem was chosen on one occasion.

## CHAPTER IV - GUGIELMO MARCHESE MARCONI

Director - A. W. "Bill" Filtness WE7WZ (370-SGP)  
#1 - 1093 Nicola Street, Vancouver, B.C.  
V6G 2E3 (604/683-2275)

The Marconi Chapter meets monthly throughout the year and perhaps takes the "Blue Ribbon" for regularity and attendance of any chapter, thanks to Bill Filtness, Bill Corson and the loyal and enthusiastic members of this very fine chapter. Contact either Bill Filtness or Bill Corson for next meeting date. You will be invited to attend if in the Vancouver, B. C. area.

## CHAPTER VII - EDISON CHAPTER (Florida)

Acting Director - Wm. C. Willmot K4TF (784-V)  
1630 Venus St., Merritt Island, FL  
32952 (305/452-2090)

Bill Willmot is asking for volunteers in the Florida area to take over as Director. We have many members in Florida. Now would be a good time for someone to volunteer their time and effort for the many Florida shipmates who would like to get-together and would appreciate your effort. Please contact Bill Willmot.

## CHAPTER VIII - TEXAS ARMSTRONG

Director - George W. Ahrens W5JN (274-P)  
3216 Townsend Dr., Dallas, TX 75229  
(214/352-4797)

We regret to advise that arrangements made by George Ahrens for a meeting of Armstrong Chapter members scheduled Oct. 31 Nov. 1st at the TEXONA HAMFEST will have to be cancelled due to him being in the hospital Oct. 12th for eye surgery and when he returns XYL goes in for back surgery. We sincerely regret that George and Zella are having physical problems. We all hope recovery is swift and complete! Thanks for the "try".

## CHAPTER IX - ARIZONA - PACIFIC SOUTHWEST

Director - Charles R. Sewell W7LME T: 602-938-2998  
14028 North 38th Dr. Phoenix, AZ 85023

The Chapter held its annual meeting March 1 1981 in Mesa with some 45 members attending. A very interesting talk was given by "Lodi" Yarbrough, Radio Officer on the SS. Cove Navigator (the only sea-going R/O in the nation's 3 major maritime unions to our knowledge). The Chapter was founded at a meeting held at Neptune's Table in Phoenix back on May 9 1971. Charles Blake was Director and Wallace Leland, Sec.-Treas. Jim Caldwell was the 'founder' of this Chapter.

ARIZONA CHAPTER LUNCHEON NOTICE. DATE: Dec. 5 1981 1:00PM  
PLACE: Tom Tate's Garden Buffet, 10414 N. 107th Ave. SUN CITY, AZ. TAB: \$4.75. All members urged to attend. Bring your spouse and guests. Visiting members invited.

## More Chapter News

### CHAPTER X - CAPITAL AREA

Director - Emerson R. "Em" Mehrling W4NH (2500-P)  
10109 Blue Coat Drive, Fairfax, VA 22030  
(703/273-0737)

During 1981 our Capital Area Chapter has been quite active. The Anchor Inn in Wheaton, Md. was the locale of three outstanding meetings held so far in 1981. The first meeting was on Feb. 28th; the second on June 6th and the last on Aug. 29. Outstanding programs have been arranged at each meeting and attendance has been excellent. We appreciate, as I am sure all Capital Area members do, the superlative leadership being given by Messrs. Mehrling, Kelleher, Swafford and company. We also appreciate the fine support given by Chapter members and to the continuing interest of former Directors Tex De Bardeleben and Allen Barnabei both of whom have unfortunately been on the bimical list.

### CHAPTER XI - ELMO IN. PICKERILL

Director - Milton Schwartz W2SF (1434-P)  
166-36 24th Rd., Flushing, NY 11357  
(212/352-7595)

The "PICK" Chapter have had two very outstanding meetings during the year to date. The first on April 9th brought out 71 members. It was held at Bahrs Nautical Restaurant. Members visited the Twin Lights and Museum after lunch (See ... "It All Started Here!" by Geoffrey B. Azoy, 2599-SGP, P-31 Bristol Bay Ed.). The replica of the pioneer Marconi equipment was of special interest to members. Bahrs is located near Highlands, NJ. The second semi-annual meeting was held at Colts Neck Inn, Colts Neck, NJ on Oct. 1st. Earl Korf (Sec./Treas.) Pickerill Chapter reported an excellent meeting. We recently received NEWS-LETTER #23 published by the Elmo N. Pickerill Chapter. This makes the THIRD N/L for 1981. Very "newsy" and well-done. Special credit to Earl W. Korf for the work these publications require. I know his work is especially appreciated by Pick chapter members. They are getting to be 'regular and consistent' - perhaps a better record than HQ.

### CHAPTER XIV - INLAND SEAS CHAPTER

Director - PAUL M. STEVENSON WB9UAD (2677-P)  
1336 Hickory St., Waukegan, IL 60085  
(312/623-4416)

A meeting of Chapter members was scheduled to be held July 18 at Columbus, Ohio. Regretfully the Inn where arrangements were made pre-empted their space for another large gathering, hence the meeting was reluctantly cancelled. Thanks to Ted Phelps for considerable work in making the initial arrangements. Ted and Director "Steve" decided to postpone the meeting to a better time. On the PLUS SIDE ... Director Paul Stevenson and XYL Phyllis as Editor have put out four sparkling issues of "The Inland Seas Beacon" so far in 1981. They are on 'hold' now until early 1982 as Phil and Steve are on an extended trip to N.Z. and Australia. After return, they plan a long trip in their motor home. When this is over they will return to Chapter activities ... full throttle. PHILLIS STEVENSON is V.P. CHAPTERS. Due to her absence little is being done topside with Chapter matters. We will be glad when she returns. Being an old Navy man, I would give the Stevensons a 4.0 rating for their performance!

### CHAPTER XVI - GONZALES (VANCOUVER ISLAND)

Director - Leonard A. "Len" Polack VE7ZH (1658-SGP)  
3114 Newport Ave., #10, Victoria B.C. V9C 1P2  
Canada '604/598-2157)

The Gonzales Chapter held its annual meeting on May 23, 1981 at the Captain's Palace Restaurant in Victoria. Regular Island members plus several guests reported by S/T D. A. Smith.

(It is believed that we may have misplaced some of Chapter SVI's N/L as this Chapter meets consistently on a schedule - our regrets). Any member visiting the Island is invited to attend as a guest. Contact "Len" or Dave Smith VE7DBJ T: 604/598-2157.

### CHAPTER XVIII - CENTRAL GULF COAST

Director - Lamar T. Hutchinson W5NUH (3613-V)  
356 West Ave., Harahan, LA 70123  
(504/737-2582)

The organizational meeting of the Gulf Coast Chapter was held on July 11, 1981 at the Travel Lodge Motor Hotel, 2240 Veterans Memorial Blvd., Kenner, LA 70062. Attending were a group of SOWP members from the New Orleans and contiguous area. Mr. Lamar T. Hutchinson 'carried the ball' so to speak as organizational chairman and did a lot of work in bringing the group together. The New Chapter was formed and Mr. Hutchinson was elected Director. Other officers elected included: Russ Harwood - Sec./Treas.; Harry McLaren - Program Chairman; Malcolm Taylor and Ben Russell - CHOPS.

AREA REPRESENTATIVES include Wm. Colvin K4HOON - Alabama; F. B. Charlton - W5MD - Baton Rouge, LA. Edw. Tilton - K5PME and H. G. Voekel - WD5GSU (At Large)

The new chapter will include the following areas: Houston, Texas, along the Gulf Coast to Tallahassee, NW to Montgomery, W to Meridian, Jackson & Vicksburg thence to Monroe; SW to Alexandria thence back to Houston plus all between.

We have received two good NEWSLETTERS put out by Mr. Hutchinson since he started the Chapter. The Society thanks Mr. Hutchinson and all of the officers and men who attended this organizational meeting. May it continue to grow and give service to members in this key area. A note: Chapter Net Fcy - correct SSB to 7248. CW on 7048. Newsletter (Bulletin #1) issued July 24th - very interesting reading for 'early sparks and old salts!'

### OVERSEAS - SWISS "EDELWEISS" CHAPTER

Director - Eric Walter HB9CHE (1536-M)  
Stegenweg 44, 3172 Niederwangen/BE Switzerland  
(031-341833)

The Edelweiss (Schweiz) Chapter met March 7th in one of their semi-annual reunions. The meeting was held in Bern. The next meeting scheduled for Nov. 7, 1981 will be held in the Restaurant of Waldemar, Rohner at Effingen and a fil show about life aboard ship today as compared to several decades past is planned. We received #2 Bulletin for 1981 (printed in German of course.) Eric invites those visiting Switzerland to give him a call or contact him as you might arrive when they are having one of their meetings and you would be welcome.

### OVERSEAS - ENGLAND & BRITISH ISLES - U.K.

Director - JOHN A. EDWARDS G4BVA (1222-V)  
81 Hunter Ave., Shenfield, Brentwood, Essex,  
England CM15 BPF (01102-3185)

Director Edwards reports things going along well. He made two trips to the U.S. this year. One on business in Chicago, Milwaukee, NYC, NJ, etc.. The second was a family vacation trip in late August in which they rented a Zephyr car and stayed 18 days, driving through New England and a good tour of N.Y. City and environs. John used to call to East Coast ports in earlier days and was quite interested in the changes he noted especially the lack of ships in the New York Harbor. A nostalgic trip indeed. SRI we didn't get to see John on this trip but he says on future trips he will try to contact some of our Chapters and members.

### OVERSEAS - SOUTHER CROSS CHAPTER

Director - Frank A. Carey VK2AMI (913-SGP)  
142 Seville St., Fairfield NSW 2165 Australia  
(7261038)

WHEN I've had a rough day, before I go to sleep, I ask myself if there's anything more I can do right now. If there isn't, I sleep sound.

## "DRY-DOCK REPORT"

Our good member GLENN H WOLFE 311 San Sebastian Way, Novato, CA 94947 (T: 415/883-6281) had a stroke some 6 years ago and has been bed-ridden for some time. He is unable to operate his amateur station K6PF. XYL Melba inquires if any of our members knew Glenn and if so would visit him at the Convalescent Hsp. he is now at. QTH: Hillside Manor Hospital, 81 Professional Center Parkway, San Rafael, CA 94903. XYL says Glenn would enjoy some good old "ham talk" as the are tedious -- on end. Also inquires if any of our members would like remaining pieces of ham equipment and gear remaining or might be interested in them at a very nominal price.

We would appreciate our members writing to Glenn - or those in the area visiting him. It would bring a lot of sunshine to a 'grounded operator' !!! Cards and letters would also break the monotony.

## HIGH SPEED CODE TESTS

TIME/DATE: NOV. 16 1981  
0230Z ( 6:30PM NOV.  
(NOTE) 15th PST.

### FREQUENCIES:

K6DYK - 3690 and 7025 KHz  
W1NJM - 3636 and 7085 KHz

The above reconfirms the schedules for the next semi-annual High Speed C de Proficiency Test sponsored by the Society.

The tests will be run by George Hart - W1NJM in Connecticut) and W. C. Smith K6DYX (TA-78) at Monterey, CA 93940. QTH: 67 Cuesta Vista Drive.

TESTS RESULTS SHOULD BE SENT TO MR. W.C. SMITH.

SPEEDS will be 40, 45, 50, 55, and 60 WPM, in that order. Each test will consist of five minutes of plain English. Instructions will start at 0230 UTC. 40 WPM starts at 0245 UTC: 45 WPM starts at 0255 UTC: 50 WPM at 0305 UTC, 55 WPM AT 0315UTC AND 60 WPM AT 0325 UTC.

One minute of perfect copy submitted to K6DYX for checking will qualify for a Certificate of Proficiency from the Society.

This test is earlier in the evening than usual and with precise timing necessary since George Hart W1NJM, has kindly agreed to run the identical test from his Connecticut station and they must be coordinated.

Participation in these tests are offered to all SOWP Members who wish to participate. It is a fine opportunity for all. T.U. -30-

## "DICK" JOHNSTONE WEEK

OCTOBER 11 - 17th 1981

SOWP NETS will celebrate the week of Oct. 11-17th in honor of our First President and the Gentleman who STARTED THE SOWP NETS. "RJ" as he was known to most 'old timers' became a Silent Key on Oct. 9 1972 - 9 years ago. This was 4 years to the day after he first started what was to become our large NET SYSTEM. It was on Oct. 9th 1968 that "RJ" called CQ-SOWP DE W6FQ. We have had many CHOPS on nearly 25 nets that have kept the "Tradition" alive. "Dick" brought a lot of enjoyment to many many individuals over the many years since that hundreds of members have QSO'ed each other via the SOWP NETS. A SALUTE TO DICK ... He really started something !!!

## Radio Station "WPD"

### CALL FOR INFORMATION ABOUT "WPD"

The following was received from Member ...Dan Whitman 3090-M QTH: C/O TAMPARADIO "WPD", 1330 McKay Street, Tampa Fla. 33602.

"Being resident SOWP member here at WPD, I would like to tender a request on behalf of the station, Could you please publish in "WANT TO KNOW" Column a request from WPD for anyone with HISTORICAL IFN about this station, IE: Past operators, Owners, Equipt. Etc., to correspond with me at the above address ? We are trying to compile a HISTORY OF WPD. If enough IFN can be gleaned from sources near and far, perhaps it would make an article for SPARKS JOURNAL. Members who worked at WPD or have IFN about the station are encouraged to write "Dan".

### WANTS "PEN PAL"

Member ADELE SHULIM, 255 W. 23rd St. Apt. 4-C, New York, NY.10011 who was in the USA SIGNAL CORPS during WW-II and later worked for PRESS WIRELESS at Times Square NY would like to correspond with someone with similar experience or interests (Barbershop chorus, silver and costume jewelry, Concert and Piano recitals etc. Would enjoy corresponding with members who were shipmates at same assignments or having similar interests.

### WANTS TO KNOW

Who was the operator on the States Line ship SS WISCONSIN in the summer and Fall of 1929 ? This was the operator who saved MY NECK by relaying messages on the

40-meter Ham Band from the Schooner NANUK ( WKDB) in the Arctic to Navy Radio Station NPQ at St. Paul Island. IFN would be appreciated by member: BOB GLEASON, 3735 Ramsgate Drive RR. Annapolis, MD 21403.

### NEW ORGANIZATION FORMED

The following from V.P. Bill Willmot.

The newly formed Signal Corps Association is a professional organization for communicators throughout the world. The Association was founded to recognize the proud history of the U.S. Army Signal Corps and to preserve that ever evolving history for posterity.

Members of this new organization will receive the ARMY COMMUNICATOR, the professional Signals Corps Journal with information on timely reporting of developments world-wide.

If you have ever served in the U.S. ARMY SIGNAL CORPS, or worked for the Signal Corps as a civilian, you are invited to join. The annual dues are \$10 and Life Membership is \$100.00

Additional information and application blanks are available from Signal Corps Association, P.O. BOX 7740, Fort Gordon, GA. 30905

### INFORMATION WANTED

#### T.R.T. & UNITED FRUIT CO

The next issue of SPARKS JOURNAL will carry the Story of the early day PIONEER WIRELESS WOMEN of the world - also those who saw service in more recent years. It will also carry a fabulous story of Raymond Zerbe's experiences during WW-1 when he made many crossing of the ATLANTIC on TROOP SHIPS staffed by U.S. NAVY personnel as well as battle ships and gunboats of all types. He probably saw and heard more radio action than anyone I have ever known.

The following issue of SPARKS JOURNAL will feature the TROPICAL RADIO TELEGRAPH CO. & UFCO. We invite all who have stories to tell about TRT & The Great White Fleet to send in their stories or pictures so we can perhaps include them in this issue which should be of great interest to all of our members and especially those who sailed the Great White Fleet or worked at "WNU" or the many 2-letter call stations in Central American and Islands of Carib.

Please send material w/o delay so we can work on it in time for publication. Bill Breniman/Ed.

# CALLING CZQ!

## NEW NET CHIEF ANNOUNCED

THE SOCIETY HAS A NEW CHIEF OPERATOR FOR ITS RADIO NETS.

SOWP Member SEYMOUR STRAUSS 826-V - W4IKU accepted the assignment after we were informed by John "Mac" McKinney that he would like to be relieved from the position and activities it required. "Mac" as most members know is rather recently retired from FCC, where until retirement he was Engineer in Charge of the Central Monitor Station Grand Island, Nebr. He is still very active however in retirement and is at present engaged in building two broadcast stations and working with others on a consulting basis as their needs arise. He is also working with another consultant on microwave installations throughout the midwest. He reports that this requires much correspondence which makes it most difficult for him to find time to work up Net Schedules or properly handles correspondence, furnish news items etc., hence believes that someone else should 'take-over' in this assignment.

"Mac" does agree to remain as CHOP of the OSCAR HARRISON TRANSCON THURSDAY NET through the coming fall and winter.

We would like to extend our appreciation to JOHN MCKINNEY for the time and effort he has expended on Society Nets. John's capabilities are outstanding; his station, centrally located gets out well covering the country quite solid. His operating skill is 'tops' and we think he has contributed greatly to our efforts in furnishing and outstanding service to our amateur net members. It is comforting to know he will continue as CHOP of the Harrison Net and for his offer to help if circumstances permit.

I think most members realize that it is becoming extremely difficult to handle the workload at HQ due to the many details generated by our complex operation. We need someone who has the time and ability to take over and handle the correspondence, press releases etc., on the SOCIETY'S NETS as one phase of our activities.

The individual chosen will undertake to handle all phases of our NET operations. One of the activities will be that of furnishing HQ. with periodic NET SCHEDULES for publication in INTERCOM and the Society's "SKIPPER'S LOG". Another will be in furnishing a news page about our Operations so that all Amateur Station members will have information about what is going on on our various nets.

Here is a little background on our new CHIEF OPERATOR:

SEYMOUR STRAUSS (SY) W4IKU 826-V  
201 NE 171 Street  
North Miami Beach, FL 33162.  
Fone: 305/653-2932.

Sy's FS. was in 1941 USCGC ICARUS/NRGJ. He also served at the Coast Guard Station in San Juan P.R. - NMR that year. He was posted on the USCGC's CYPRESS and UNALGA and in 1944 at USCG Str. Sitka Alaska NMN. 1946 he joined CAA at Station WBR Miami and in 1946 to CAA Balboa/WHZ. 1965 USS CORAL SEA/NIDA (Active duty for Viet Nam). 1950 USS TILLS/NZWV; USS RENSHAW, USS PRICHETT. He has served in 3 wars with 8 years of active duty. Sy reports his station W4IKU does not get out too well due to QTH. He will continue as CHOP of the TRANSCON - TUESDAY NET.

All net officials (and members) are invited to furnish "SY" with current net schedules or any changes as they occur so that he can include them in a MASTER SCHEDULE to be published (if possible) in each issue of INTERCOM. Also any type news of interest to our nets (news of rules and regulations that may effect our net-members etc. should be mailed to him. It is suggested that S.A.S.E. be included when you write to help keep down the work in handling the correspondence he may receive as well as out of pocket expense.

Continued at upper right.....

PHYLLIS & PAUL STEVENSON are on an extended trip to Australia NZ and the South Seas. They are scheduled to return early 1982 but plan a long trip in their big Motor Home while will end in the Spring.

PHYLLIS is V.P. CHAPTERS. Upon return we hope that she will be able to take over this phase of our operations and include news of personnel in a Quarterly Section of the JOURNAL.

We would like to issue personnel type news such as appeared in the INTERCOM "B" Section of our last BRISTOL BAY EDITION Edition of the JOURNAL as a separate entity. We hope to have "SY" Strauss take over for NET ITEMS and the STEVENSONS the same on CHAPTERS and personnel. It may be coordinated and edited by FRED ROSEBURY subject to health and other conditions.

HQ. needs quite desperately to be relieved on a great volume of its workload in order to give necessary time for JOURNAL and other Historical Publications we have on line. We are well below our "Plimsol Mark" on the volume of work we can do efficiently. It has become quite agonizing to the Ancient Mariner, not to be able to handle correspondence without the long delays which now occur.

We realize that changes should be made but we do have many unusual problems which inhibit easy solution/s.

We do appreciate the great cooperation that our members and officers extend and I am quite sure most are aware of our many problems.

I am sure that most members also are aware that age is becoming a factor in the equation. The physical dexterity of fingers for instance in typing have slowed down in the last few years from near 100 WPM with near clean copy to perhaps 40 WPM with many errors which take time to correct (and even then we perhaps don't get them all). HOWEVER - we will keep in there pitching for as long as we can and hope to give all members VALUE RECEIVED for their membership. In time changes will have to come and I am sure the transition will be on the plus side. We do have a world of expertise within our organization. I am sure we will find those who will carry on and uphold the traditions and heritage of what has become one of the truly fine organizations of its kind in the world. 73 de

Bill Breniman *Bill*
